HOPE COLLEGE A1JRQ1 0070130840003 Dental Coverage Effective Date: On or after July 2025 Benefits-at-a-glance

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten. If your group is self-funded, please see any other plan documents your group uses. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Coverage determination: Claims are subject to dental necessity verification and availability of dental benefits when they are processed, as well as the terms and conditions of the applicable BCBSM certificates and riders.

Network access information

With Blue Dental PPO Plus MAC, members can choose any licensed dentist anywhere. BCBSM's payment for covered services is always based on the Maximum Allowable Charge (MAC) amount — our PPO fee — even when the dentist isn't a PPO dentist. This means members will have the lowest out-of-pocket costs when they see dentists in the Blue Dental PPO network.

Blue Dental PPO network- Members have unmatched access to PPO (in-network) dentists through the Blue Dental PPO network, which offers more than 130,000 dentist locations nationwide. PPO dentists agree to accept our approved amount as full payment for covered services, and members pay only their coinsurance and deductible amounts, if any, when they see PPO dentists. Members also receive discounts on noncovered services when they use PPO dentists (in states where permitted by law). To find a PPO dentist near you, please visit mibluedentist.com or call **1-888-826-8152**.

Blue Par SelectSM arrangement- Members who see non-PPO (out-of-network) dentists can still save money by choosing a dentist who participates with BCBSM on a per-claim basis. While participating (out of network) dentists agree to accept our approved Blue Par Select amount as full payment for covered services, our payment will be based on the MAC amount, which is generally lower. Members must pay any difference between the two when they go to participating dentists, along with their coinsurance and deductible amounts, if any. However, they're not responsible for any difference between the approved amount and the dentist's charge. To find a dentist who may participate with BCBSM, please visit mibluedentist.com. Members should ask their dentists if they participate with BCBSM before every treatment.

Note: Members who go to nonparticipating dentists (non-PPO dentists who don't participate through our Blue Par Select arrangement) are responsible for any difference between our reimbursement for covered services and the dentist's charge.
